# Welcome To The Clamshell Quilt Guild Show

## “Quilts All Around the Town, 2023”

On behalf of the Quilt Show Committee and the Guild Members, we warmly welcome you to our 2023 show. With our bi-annual quilt show delayed we are pleased to present to you five years of our favorite quilts to share our love and passion for the art of quilting with our surrounding communities. On display are works from many of our diversely talented members that reside in your neighborhoods. We wish to celebrate their gifts and possibly spark a passion for quilting in you. We have lectures and demonstrations that you may attend to learn more about our craft. We have a basket raffle and a boutique where you can buy some of our personally made items. With our mystery grab bags for \$5 you are guaranteed to get a quilting related item valued at \$15 or more.

Coming out of Covid our quilt show committee and guild members had less than a year to plan this show but have worked tirelessly to make this our best show. To all those who have worked so long and so hard, we express our deepest appreciation for your commitment and dedication for making this show a reality. Thank you. It has been a joy working with all of you.

**Debbie Newsome**  
Quilt Show Chairperson and Guild President

## The Clamshell Quilt Guild

### How we got started and where we are going ...

The Clamshell Quilt Guild was founded by a small group of women who were taking quilt lessons together at a local sewing machine store. As they met learning new quilt patterns and techniques the idea to form a new guild was born. While there were other guilds in the area these women felt the New London, Waterford, East Lyme area needed its own guild. The name Clamshell was selected to reflect the rich nautical history of an area graced with Long Island Sound's miles of coastline. The “Clamshell” quilt pattern inspired the guild's logo. After much planning the first meeting of the Clamshell Quilt Guild was held on September 27, 1989. This first meeting attracted 75 quilters, far more than anticipated.

Since that first meeting, the primary focus has been to promote and preserve the love and art of quilting. Clamshell has done this through

varied skill levels of workshops, award winning guest speakers, tools and techniques demonstrations, and open sews, giving members of all skill levels opportunities for personal challenge and fun.

Post Covid the Clamshell Guild has experienced a revitalization. Our 2023-24 year looks to be very exciting. We have wonderful speakers and workshops planned, plus our summer picnic and winter holiday party.

## When And Where We Meet

Meetings are usually held the third Wednesday of the month at the Groton Hilton Garden Inn, 224 Gold Star Highway. Doors open at 6:00PM with social time until the meeting begins at 6:30PM.

## Community Works

In its effort to give back to the community, the Guild has evolved into a not for profit charitable organization supporting many other local not for profits. Therefore, volunteerism is highly regarded and promoted within our membership. Our community work includes, but is not limited to, Safe Futures, The Waterford Country Day School, and local hospital NICUS.

## Quilt Show Dedication

This quilt show is dedicated to our Clamshell Guild members who have passed away since our last quilt show in 2018:

Jayne Coale

Elayne Gumbs

Paula Horne

Alice Means

Judy Rabe

Their families have blessed us by lending us their quilts. Our memories include the sew-a-longs, the workshops, the event planning, the laughs, the shared meals and shared tears. Their legacy is here in their stiches and friendships will never be forgotten. While it saddens us we can no longer stitch beside you, we know wherever you are sewing now, you always have a perfect quarter inch seam, with perfect tension, have just enough of the ideal fabric, never need the ripper and your bobbins are always full. We miss you.

## Quilts For Sale

Quilts at the Quilts All Around the Town show that are available for purchase will have "For Sale – Pricing at the Information Desk" in lower left-hand corner of the display card. The Information Desk has a list of all quilts that are offered for sale including their sale price. Interested buyers can fill out a "Quilt for Sale Contact Information Form" at the Information Table in the lobby. The quilt maker will contact the potential buyers after the show. The quilts offered for sale will remain on display for the entire show.

## 2023 Raffle Quilt

This year's quilt was made by Tara Thornton, Deb Bennett, Debbie Dowling, Sue Westner, Mary Kay Granata, Kathy Wright, Diane Kolka, Jane Barth, Pat Cosgrove, Heather Botelle and Carol Hessler. The pattern, designed by Lissa Alexander for McCall's quilting magazine for their May/June 2014 issue, is called "Atlantic Waves", very appropriate for our guild location, and is based on the Ocean Waves quilt block. The machine quilting was done by Heather Botelle and Carol Hessler embroidered the label. We thank our raffle quilt committee chair, Tara Thornton, and her tireless team who routed this quilt to many locations this year selling raffle tickets. A portion of the proceeds from the raffle ticket sales will be donated to the Gemma E. Moran United Way/Labor Food Center Food Bank in New London, CT.

## Boutique

Our members have been hard at work creating a nice variety of items. There is sure to be something for everyone there. The assortment of items for sale include books, patterns, gently used quilt related items for sale at very reasonable prices. All the items for the boutique have been donated and the money earned through the sales goes directly to the Clamshell Guild.

## Mystery Grab Bags

Clamshell Quilters Mystery Grab Bags are available for purchase for \$5 each. Within each bag is a prize that is a quilt related goodie ranging in value from \$15 to \$100. Try your luck for a great selection of prizes including fabric, books, tools, etc. EVERYONE IS A WINNER!!!!!!

## Clamshell Quilt Guild Quilt Challenges

### 2019 - Color Wheel Challenge

The objective was to allow participants to learn about using the color wheel to select colors for their quilts. Each participant selected three of the standard twelve colors from the color wheel and created a unique design for their challenge quilt. Using a twelve-sided die, marked with the twelve standard colors from the color wheel, each participant rolled the die to select their first color. Then to choose a complementary or analogous color combination they rolled die marked "right", "left" or "center". For "L" or "R" the quilter had to use an analogous color combination. For "C" the quilter had to use a complementary color combination. If the quilter rolled a "•" the quilter could choose either analogous or complementary combinations. Requirements included any shade, tint or tone of the color, and colors must cover 75% of quilt top. The quilt perimeter could not exceed 80".

### 2020 - Scavenger Hunt Quilt Challenge

This year's challenge was to create a quilt that incorporated as many of the items listed below as the member would like. The items could be represented as a fabric image, as a design or as a quilting design. The quilt had to be 20" x 20" or smaller, had to have been layered, quilted and bound. When you view these quilts can you find the following?

Tree	Flower	Fruit	Bird	Bee	Dog	Cat
Horse	Chicken	Number	Circle	Fan	Diamond	Clock
Building	Santa	Bicycle	Boat	Scissors	Buttons	Elvis

## 2021 – Postcard Challenge

This year's challenge was to create a "postcard quilt." Like a postcard, the quilt should portray a story of a destination, event, a trip, or a life happening. Participants could submit up to 2 original entries!

The minimum size was 4"x6" the maximum size was 9"x12". The quilts should be made of fabric and have been layered, quilted and bound. Embellishments could be used such as buttons, lace, and trims.

## 2022-2023 – Unfinished Object Challenge

The challenge for everyone for 2022-23 was to complete 8 unfinished projects. In the case of these quilts and other projects that were unfinished, but now are finally finished, you'll see them throughout the show. The reason they are not just in one area is they are of various types and styles and therefore fit better in other areas. Read some of the descriptions on quilts in the show to find out how long ago the projects on display were started. If it was a while ago, chances are it's a UFO!

### COUPON

**15% off** regular priced items

up to \$50 pretax

or

**20% off** regular priced items

over \$50.01 pretax

# Quilt Show Map

## 却发现 THE THAMES

# Thames River Heritage Park

## One River. **A Thousand Stories.**

15 miles of exciting waterfront... art, theatre, music, museums, eateries, entertainment & fun!

Take a historic boat tour or hop-on, hop-off harbor cruise. Visit the Submarine Force / Nautilus Museum, the battleground that made Benedict Arnold an infamous traitor, colonial homesteads & grist mill, the site of the *Amistad* landing, the new Black Heritage Trail & more.

The Park's water taxi transports you to historic & heritage sites on both sides of the Thames River in New London & Groton. Easy access via Amtrak, MetroNorth/Shoreline East & I-95.
